# 360 Sundancer®

2003

The captain has a bucket seat with flip-up thigh-rise bolster. The control station features custom Sea Ray SmartCraft™ instrumentation, illuminated weatherproof rockers and dimmer control, and a wood-accent tilt steering wheel with hydraulic steering.

For dining or games, add the table between the aft cockpit seats. Lower the table, pile on the custom cushions from their dedicated storage compartment, and the entire area becomes a large sun pad. The wet bar has a sink and icemaker as well as a built-in insulated ice chest, trash receptacle and large storage cabinet.

A faux granite countertop with sink and Grohe® faucet, recessed two-burner stove, refrigerator/freezer and microwave complete the galley.

The private head compartment is easily accessible from topsides as well as belowdecks. It features a full fiberglass shower with curved acrylic doors, a vanity with sink and storage, a medicine cabinet and a VacuFlush® head.

For those who have always dreamed of owning a Sea Ray Sport Yacht, the dream is now within reach. The 360 Sundancer offers plenty of seating for your friends. Her cabin sleeps six. She has a full galley, two TV/VCR/radio combos, a wet bar and a quiet step-down conversation area that converts to a private stateroom. And her twin VD-8.1 S Horizon MerCruiser® gasoline V-drives give you the power to go as far as your dream will take you.

The step-down conversation area converts to a private stateroom with double berth and privacy curtain.

The salon has a beautiful crescent sofa that converts to a double bed. Electronic entertainment is available via the TV/VCR/radio combo and the Clarion® stereo with six-disc CD changer, amplifier, subwoofer, eight speakers and digital cockpit remote control.
