# 400 Sedan Bridge

2003

Enter the salon through sliding glass doors. Immediately to port there's a comfortable sofa that converts to a bed with the push of a button, as well as a small table that does double duty as a dining table or a convenient place to serve cocktails.

The dinette booth seats up to four adults and has built-in storage in the seat bases.

The galley is equipped with an upright refrigerator/freezer, flush-mount three-burner electric stove, microwave/convection oven, coffeemaker, custom-molded countertop and sink with single-lever faucet, and cutting board.

The 400 Sedan Bridge could just be the most flexible 40-foot bridge boat on the water. She gives you so many options for things to do, places to go, people to see. With an interior plan that suits any lifestyle, plus all the luxury and convenience inherent in a Sea Ray, you're pretty much set. However you choose to cruise, you'll do so in glorious comfort. Twin 8.1 S Horizon MerCruiser® gas inboards are standard.

The forward stateroom has a full-size pedestal bed with innerspring mattress, pillows and a coordinated spread. Cedar-lined hanging lockers have lights and mirrored doors.

The spacious interior offers a port stateroom with twin beds with innerspring mattresses that can be converted to a king-size bed. There's also a cedar-lined hanging locker with mirrored door and built-in storage.

The bridge plan with starboard helm station provides custom slide/swivel helm seats and a burl instrument panel with room for a full array of electronics.
